

# People with Disabilities and Their Experiences with Sexual Relationships

## RESEARCH PARTICIPANTS NEEDED!

**Who is eligible:**  
Individuals who self-identify as  
a person with a disability; be 18  
years or older; be their own  
guardian; and speak English as  
their primary language.

We are conducting a research study that will look at the experiences of individuals with a disability and their sexual relationships. This study will help us better understand how to improve the competency of professionals who engage in helping relationships with disabled individuals.
