

This listing is to provide you with resources for people with disabilities.

It is for informational purposes only.

Children Websites

<https://www.dhs.wisconsin.gov/birthto3/contacts/countycontacts.htm> Wisconsin Birth to Three Program. Each county has identified a designated central point of access, a person who handles all referrals into the county program and can provide general information to parents, other family members, and providers on the intake process and the services available through the county Birth to 3 Program.

<https://www.dhs.wisconsin.gov/birthto3/contacts/state.htm> The Wisconsin Birth to 3 Program is administered through the Department of Health Services (DHS). The 72 counties are divided among three regions (Southern, Northeast, and Northwest). Each region has a designated "state lead" responsible for the oversight and supervision of their specific region.
